

Soroptimist House

Our Santa Rosa Soroptimist club partnered with the Inter Faith Shelter Network (ISFN) of Sonoma County to establish a “Soroptimist” transition house by providing the initial 6 months of mortgage costs. This house is a home for up to seven previously homeless women residents at any given time, and they may stay for up to two years.

Our members provide ongoing social support and try to help with smaller items when needed by the residents.

The following items are on the current “wish” list for our Soroptimist House residents.

If you can help, please call President-elect Carolyn!

Currently Needed

We are expecting an updated list of needs by June 22nd

Knife Sharpener (?)

DVD player (?)
